Verification of Employment for Slim Bendag

To whom it may concern,

I, Oussema Medimegh, hereby confirm that Mr. Slim Bendag was employed with Groupe Medimegh Aquaculture from 09/2020 to 01/2022. During this period, he held the position of part-time outside aquaculture consultant (virtual with organized on-site visits) within our organization.

Slim Bendag proved to be a dedicated and dependable employee at our company. He consistently demonstrated a strong work ethic, willingness to learn, innovation and adaptability that contributed positively to our workplace.

During his time with us, Mr. Bendag was a part-time consultant responsible for identifying problems in the production and strategizing on how to deal with them. He effectively identified critical aspects that can be improved and strategize accordingly, he also managed to make new improved work protocols for the staff, identified statistical significances in fish mortality and helped in planning the overall fish production. His contributions played an important role in the successful execution of our projects and the achievement of our goals.

Mr. Slim Bendag was a reliable team member who consistently met deadlines and performed his tasks with accuracy and attention to detail even though he was pursuing his Master of science degree abroad. His ability to problem-solve greatly benefited our team and overall operations. He also maintained a professional demeanour and interacted well with colleagues, clients, and supervisors alike. His strong communication skills and collaborative approach enhanced his effectiveness within our team. He also demonstrated the capacity to adapt to changing circumstances and take on new challenges, showcasing his versatility.

In conclusion, Mr. Slim Bendag was a valued member of our team for the duration of his year and a half of service at Groupe Medimegh Aquaculture. His contributions and commitment had a positive impact on our organization, and we are confident that he will carry the same level of dedication and professionalism into his future endeavours.

If you require any additional information or verification, please feel free to contact me at om@gm.com.tn or +21628618000

Sincerely,
Oussama Medimegh
CEO of Groupe Medimegh Aquaculture
