

Subject: reference letter for Slim Bendag

Attention: to whom it may concern

Dear Sir or Madam

I was delighted to have the opportunity to work with Slim Bendag, who held the position of engineer trainee with our company from February 2020 to June 2020 for the completion of his Engineering graduation project.

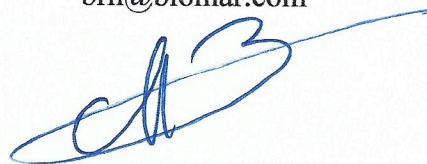

He was involved in the daily routine operations, follow up, supervision, data analysis and reporting of an important nutrition trial on meagre (*Argyrosomus regius*) in an external RD platform we contracted for the trial duration in the north of France.

During this period, he fully committed him to the various tasks assigned to him, demonstrating initiative and determination to achieve his objectives.

Conscientious, available, and responsive, Slim Bendag has been an exemplary employee who has given the company complete satisfaction, and I am certain that he will be just as valuable to your organization.

I hope you will receive this letter and remain at your disposal should you require any further information. Please accept, Sir or Madam, the assurances of my highest consideration.
