Letter of validation for Mr. Slim Bendag

I am writing this letter to confirm the employment status of Mr. Slim Bendag as a research assistant at Justus Liebig University. Mr. Slim Bendag has been a valued member of our team since November 2022 and has consistently demonstrated exceptional skills, dedication, and commitment to his role as research assistant.

During his work, Mr. Bendag has exhibited a strong work ethic and a high level of professionalism. He has successfully undertaken various responsibilities, including setting up and maintaining our experimental RAS shrimp farming facility, and has consistently achieved outstanding results. Mr. Bendag's performance has greatly contributed to the success and growth of our work.

In addition to his technical abilities, Mr. Slim Bendag is known for his effective communication skills and strong teamwork. He has been an integral part of our team, collaborating effectively with colleagues and contributing to a positive work environment.

I have no doubt that Mr. Slim Bendag would be a valuable asset to any organization or team. His skills, dedication, and positive attitude make him an exceptional candidate for any professional opportunity.

Please do not hesitate to contact me if you require any further information or have specific questions regarding Mr. Slim Bendag and his qualifications.

Prof. Dr. Thomas Wilke
Head of the Systematics and Biodiversity Group
